Dear Ms. Dortch:

iBiquity Digital Corporation ("iBiquity"), by its attorneys, hereby notifies the Commission, pursuant to Section 1.1206 of the Commission's rules, of a meeting held on April 21, 2005 with Mary Beth Murphy, Ben Golant, Ann Gallagher, Steven Broeckert and Susan Crawford of the Media Bureau and Larry Olson, George Fehlner and James Ballis of the International Bureau. iBiquity was represented by Albert Shuldiner, its General Counsel, and the undersigned.

During this meeting, iBiquity reviewed the current status of station roll-out of HD Radio. iBiquity also noted that the NRSC recently adopted an IBOC standard. The Staff reviewed with iBiquity some of the international issues presented by the introduction of HD Radio. With regard to the Further Notice of Proposed Rulemaking, iBiquity urged the Commission to expeditiously resolve issues relating to AM Nighttime authorization, and the introduction of supplemental audio and auxiliary data services. iBiquity also noted that it is working with the reading services for the blind to develop a means to transition such services to digital.
